

FEES

"Membership" is defined as "When the bride or groom or either of their parents is on the active membership roll of the church when the 'Application for a Wedding' is received."

FOR MEMBERS

The church is happy to provide its services and facilities to members at costs which we seek to keep as low as possible.

- **Facility Care Fee:** A facilities care fee of \$150 is requested to offset additional costs for custodial and other services involved with a wedding. The check should be made payable to Fox Chapel Presbyterian Church, marked "Wedding" on the subject line, and submitted to the church office along with the wedding application.
- **Organist:** The Director of Music Ministries is responsible for providing organ music at weddings in the church. This work is over and above the usual duties, so an honorarium of \$200 is appropriate. If there is special music requiring extra preparation or rehearsals, the honorarium should be increased accordingly. Make check payable to the organist.
- **Other Musicians:** Other musicians are arranged for and coordinated by the Director of Music Ministries. Fees will vary. The Director will provide information to you so you may arrange for proper payment. Make checks payable to each individual musician.
- **Pastors:** An honorarium for pastors may be offered at the discretion of the family.
