Children's Ministries

Children's Ministries reaches out to children (birth to Grade 5) with age appropriate classes, worship, fellowship, and family activities. Through Bible stories, music, rites of passage, mission projects and field trips the children come to know Jesus Christ. Our ministry provides opportunities for children and give tools to their families the tools needed to nurture their spiritual lives and build a strong faith. Please see the Christian Nurture for Children Guide for children's programs, birth to Grade 5.

Worship

Children are encouraged to worship at all services and are an important part of the FCPC family. They are welcome to stay for the entire service or be dismissed during the 9:30 and 11:00 services for education programs.

How Adults May Help in Children's Ministries

Our Children's Ministries program relies on the involvement of faithful adults to serve in a variety of capacities. We welcome your assistance and need folks with a wide variety of gifts. Everyone can help in some way and we encourage you to contact Delinda Donovan or Amy Justice at 412-963-8243 to see how you can get involved.
