

Mission

Fox Chapel Presbyterian Church has a long and proud tradition of support for mission both locally and worldwide. These are some of the things we do:

Support the worldwide mission program

of our denomination, The Presbyterian Church (USA). Our efforts reach throughout the world in effective ministries of compassion by feeding the hungry, healing the sick, providing education and spreading the gospel.

Support a myriad of worthy causes locally

and internationally through the giving of our mission dollars and prayers.

Our members serve

on numerous non-profit boards and as volunteers in the community.

Offer hands-on mission opportunities

at local food banks, soup kitchens, Hosanna Industries, Meals-on-Wheels, Sojourner House and in numbers of other places.

Offer programs that allow our children and youth

the opportunity to support and participate in mission in a variety of ways and in countless places.

Fox Chapel Presbyterian Women

distribute funds raised from the Harvest Fair in September to support many agencies and ministries. Some of these include: Aspinwall Meals on Wheels, East Liberty Family Health Center, Hosanna Industries, Lazarus Fund, Lydia's Place, Orr Compassionate Care Center, Seminary Student Fund and local women's shelters.

Our Board of Deacons

is also involved in developing additional mission projects.
