

PATHWAY TO THE PLAYGROUND

The Fox Chapel Presbyterian Church Preschool is sponsoring a “Buy A Brick” project to provide for a safe, attractive and accessible walkway from the sidewalk by the Fellowship Hall entrance to the main gate of the new playground.

The brick is a 4x8 Holland stone in a desert blend color which will match the existing color scheme of the playground.

This fundraiser will begin on February 3, 2010 with a kick off at the 2010-2011 preschool registration. We hope to have two main drives each year...spring and fall school semesters.

The cost of each brick is \$55.00.

All members, families, friends and parents of the preschool children (past, present and future) are invited to participate in this worthwhile project. **If you are interested, please complete the following and submit with your check (\$55.00 for each brick) to Michele Bloch, Director of Preschool Ministries. Checks are made payable to FCPC with pathway to the playground in the memo line.** For more bricks than indicated below, simply list on the attached form.
