

## **High School Youth Group**

An extremely important weekly "check-in" for your soul. A place to get away from the constant judgment, pressure, social status, and frustrations of being a high school kid. Come be free and have an awesome time playing crazy games or making really cool and meaningful artistic creations. Join each other in a time of fun and deep musical worship and listen to a message that encourages and lets you know just how loved and valuable you are. It's a safe place to ask tough questions about God, faith, and the spiritual. Develop true friendships with other high school students through deep discussion and support, regardless of which clique or social status you come from. EVERY high school student is always welcome here. Snacks usually provided.

The high school youth group meets every Sunday from 7:00 - 8:30 pm in the New Youth Room! Room 231. This youth group is open to Grades 9-12.
